ATTENTION: PETITION TO CORRECT  
INVENTORSHIP

Honorable Commissioner for Patents,

I hereby petition the United States Patent & Trademark Office for a timely correction in the inventorship of U.S. Patent Application No. 08/925,845 (filed on September 8, 1997), which has been erroneously listed as "Rizzi" on PTO correspondence. I certify that I am the sole inventor of U.S. Patent Application No. 08/925,845 and that to the best of my knowledge that the error in inventorship was not the result of any willful act or omission on my part, or on the part of anyone who may have represented me in the past before the patent and trademark office. I respectfully request a timely review of the PTO records of this application, which I am confident will corroborate the validity of this petition. I furthermore respectfully request a timely correction to this error such that such this application may issue with the correct inventor named on the patent cover page.

I have enclosed a sampling of filing related documents from various times in the prosecution history of this application which indicate the correct inventorship. The PTO records in this case should confirm their accuracy. The correct inventor name is Irving R. Tsai.

Sincerely,  
*Irving Tsai*
